~ Textiles of the Future ~

UNDER THE PATRONAGE OF:

National Authority for Scientific Research

- First announcement and call for abstracts -

Dear Colleague,

We are very pleased to invite you to the **International Symposium in Knitting and Apparel “ISKA–2010”** which will be held in Iasi, Romania, at the **Faculty of Textiles, Leather and Industrial Management**, on November 19-20, 2010.

We are fully convinced that your participation at the Symposium will contribute to the accomplishment of its aims and will offer the opportunity for a fruitful exchange of experience and information. The Symposium is also intended to be a meeting of specialists of the Knitting and Clothing industry as well as of scientists, researchers and teachers of textile sectors.

The topics of the Symposium will cover areas as: New textile materials, High performance fibres and yarns, Design and product development, CAD systems for clothing, CAD/CAM systems for knitting, Equipments and technologies developments, Management and quality assurance, Intelligent textiles, Technical textiles, IT Applications, Engineering Education, Economics and marketing, Management and others related to the field.

The deadline for pre-registration and submission of the abstracts is July 15th, 2010.

Further information will be found soon on the Symposium web site:
<http://www.tricotajeconfectii.ro/iska2010>.

Looking forward to receiving your contributions and meeting you at the Symposium,
With best regards,

Chair,

Carmen LOGHIN, PhD
