INTERNATIONAL SYMPOSIUM IN KNITTING AND APPAREL

– ISKA 2013 –

~ Textiles of the Future ~

with the support of:

NATIONAL AUTHORITY FOR SCIENTIFIC RESEARCH

- First announcement and call for abstracts -

Dear Colleagues,

We are very pleased to invite you to the **International Symposium in Knitting and Apparel “ISKA–2013”** which will be held in Iași, Romania, at the **Faculty of Textiles, Leather and Industrial Management**, on June 21-22, 2013.

We are fully convinced that your participation at the Symposium will contribute to the accomplishment of its aims and will offer the opportunity for a fruitful exchange of experience and information. The Symposium is also intended to be a meeting of specialists of the Knitting and Clothing industry as well as of scientists, researchers and teachers of textile sectors.

The topics of the Symposium will cover areas as: Advanced Fibres and Yarns, Technical and Functional Textiles and Clothing, New Technologies and Equipments, Design and product development, IT Applications. Modelling and simulation, Environment Protection and Clean Technologies, Quality and Testing, Marketing and Management, Engineering Education and others related to the field.

The deadline for registration and submission of the abstracts is March 15th, 2013.

Further information will be found on the Symposium web site:

<http://tricotajeconfectii.tex.tuiasi.ro/iska2013/en/>

Looking forward to receiving your contributions and meeting you at the Symposium,
With best regards,

President of the Symposium,

Carmen LOGHIN, PhD
